Updated November 23, 2021
Projects organized chronologically; project details may change due to weather or other factors.
City of Madison project information can be found at cityofmadison.com

**Current projects**

A) Bascom-Lathrop utility project
Chasing work to continue until summer 2022
Lathrop Drive thru access closed; no access available from Park Street.
Some pedestrian walkways are closed. Follow detour signs on site.
Northernmost lane of University Avenue near Chamberlain Hall will be closed November 19, 2021 - March 2022 for utility work. Northern sidewalk and bike lane shifted, still open.
**See inset 2 for more details**

B) Sallery Hall steam project
until late 2021
Under road utility work. South lane of Johnson Street closed between the bus stop outside Sallery Hall up to Lake Street.
East Campus Mall at Johnson Street closed starting August 16. Johnson Street southern sidewalk and lane closed as well, from approximately the Sallery Hall bus stop until Lake Street.
Project completion dependent on weather, currently expected by early 2022.
**See inset 3 for more details**

C) Charter Street water valve replacements
until Spring 2022
Work at two intersections of Charter Street will involve lane and sidewalk closures, with severity of closures increasing in fall 2021 and spring 2022.
Johnson Street phase - Second phase to start December 6, will last five weeks. Southernmost lane of Johnson Street closed between Charter and Mills Streets. Northbound Charter Street lane closed between Dayton Street and Johnson Street. Lot 56 closed for two months, starting December 6.
University Avenue phase - Second phase starts December 6 to last until January 2022.

D) Babcock Hall addition
until Summer 2022
Much of Lot 40 east closed by Babcock Hall. A temporary driveway available west of the Stock Pavilion; the “Farm Place” driveway is closed. Two-way traffic allowed on Babcock Drive from Linden Drive to east Lot 40.

E) Mills Street closure
Two-way traffic to open late Summer 2022.
Mills Street closed between University Avenue and Johnson Street for Chemistry addition related work. Detour using Brooks, Charter, or Park Street.
The west University Ave. crosswalk at Mills closed until project completed. East side of Mills sidewalk maintained, west sidewalk closed.
**See inset 1 for more details**

F) Chemistry addition project
until 2022/Chemistry addition completed
Lot 65 closed until 2022 (end of Chemistry construction). The sidewalk east of the Chemistry Building is closed; pedestrians should use the west side sidewalk.

G) Veterinary Medicine addition cont.
Access to Wisconsin Veterinary Diagnostic Lab available using bridge over Willow Creek, accessed from Walnut Street. Various sidewalks and lane closures, follow detour signage on site. Southern sidewalk along Observatory Drive closed; bus stop relocated to the east of Colwood Drive, in front of Lot 67.

H) Natatorium replacement
until Spring 2023
Lot 57 closed for Gym/Nat replacement project. Westbound stop on Observatory Drive remains open.

**Future projects**

I) Colwood Drive at Linden Drive closed
November 24, 2021
The intersection of Colwood Drive at Linden Drive will be closed to traffic for one day. Nearby sidewalks will be open, but traffic will need to detour using Observatory Drive and Elm Drive to reach the open section of Linden Drive. Access to Lot 67 available as normal.

J) Bascom-Lathrop utility project
Additional projects coming soon
During UVV winter recess (late December 2021 - January 2022) Charter Street will be closed from the intersection with University Avenue up to Linden Drive. Both lanes will be closed, no thru-traffic.
### Pedestrian impacts
- West side north/southbound crosswalk along Mills Street near the Chemistry building is closed; detour to east crosswalk.

### Bicycle impacts
- Mills Street between Johnson Street and University Avenue is closed to two-way traffic until late 2022.

### Vehicle traffic impacts
- Mills Street between Johnson Street and University Avenue closed to two-way traffic until mid 2022. Northbound vehicles can reach Conklin Place.
- A single lane of northbound traffic on Charter Street between Johnson Street and University Avenue is closed until the completion of the Chemistry addition project (spring 2022). Lot 55 closed during Chemistry project.

### Transit impacts
- Mills Street between Johnson Street and University Avenue is closed. Routes 4, 13, and 44 detour.
- Metro Transit detour information can be found at mymetrobus.com.

### What’s coming
- *[NEW]* November 6: Northbound lane of Charter Street to close between Dayton and Johnson Streets for approximately five weeks. Lot 56 closed for two months.

See transportation.wisc.edu for updates on traffic impacts due to construction. Dates subject to change.
Pedestrian impacts
Note: placement of fences and sidewalk closures for work may vary. Follow the detours as marked by signs on site.

- The east-west pedestrian path from Park Street toward Music Hall / the Law Building is unavailable. Detour around Music Hall to the north or around Chadbourne to the south.
- Pedestrian access across Lathrop Drive between the Law Building and the University Avenue sidewalk will remain open.
- *NEW* Northern sidewalk from Charter Street to Botany Gardens / Mill Street is closed; pedestrian access rerouted around work area.

Bicycle impacts

- Thru-traffic not allowed on Lathrop Drive.
- *NEW* Westbound bike lane on University Avenue shifted south around work area.

Vehicle traffic impacts

- Thru-traffic not allowed on Lathrop Drive. Access only available from Charter Street.
- Select stall closures of certain stalls in Lot 5 east. Permit holders should park in unsigned (non-reserved) stalls.
- *NEW* Bus lane and one lane of vehicle traffic closed on University Avenue between Mills Street and Charter Street.

What’s coming

- During UW winter recess (late December 2021 - January 2022): Charter Street closed between University Avenue and Linden Drive.

See transportation.wisc.edu for updates on traffic impacts due to construction. Dates subject to change.
Pedestrian impacts
Note: placement of fences and sidewalk closures for work may vary. Follow the detours as marked by signs on site.
East Campus Mall at Johnson Street closed August 16, 2021. Expected closure until early 2022, possible delays depending on weather conditions.
- Crosswalk not available connecting East Campus Mall across Johnson Street.
- East-west sidewalk from just west of East Campus Mall until Lake Street also closed.

Bicycle impacts
- East Campus Mall at Johnson Street closed August 16, 2021. East-west sidewalk from just west of East Campus Mall until Lake Street also closed. Expected closure until early 2022, possible delays depending on weather conditions. Follow detour signage. Please be aware of pedestrians and walk bicycles on sidewalk areas.

Vehicle traffic impacts
- Southern lane of Johnson Street closed from the Johnson & Park bus stop up to Lake Street. Expected closure until early 2022, possible delays depending on weather conditions.

What’s coming
- No updates

See transportation.wisc.edu for updates on traffic impacts due to construction. Dates subject to change.
