A) Bascom-Lathrop utility project
Changing work to continue until 2022
Some pedestrian walkways are closed. Follow detour signs on site.
Lathrop Drive thru access closed. Some areas of Lot 5 unavailable for parking.
**See Inset 2 for more details**

B) COVID-19 testing sites
Three testing centers are open for summer 2021.
Most locations have a dedicated parking area for those coming to be tested. These areas are marked with special "COVID-19 TESTING" reserved signs. Porter Boat House is drive-thru testing only. For information on testing, please see covidresponse.wisc.edu/testing.

C) Sellery Hall steam project
Until late 2021
Under road utility work. South lane of Johnson Street closed between the bus stop outside Sellery Hall up to Lake Street. Sidewalk closures may also occur.

D) Mills Street closure
Two-way traffic to open late summer 2022
Mills Street closed between University Avenue and Johnson Street for Chemistry addition-related work. Detour using Brooks, Charter, or Park Street.
The west University Ave. crosswalk at Mills closed until project completed. East side of Mills sidewalk maintained, west sidewalk closed.
**See Inset 1 for more details**

E) Babcock Hall addition
until early 2022
Much of Lot 40 east closed by Babcock Hall. A temporary driveway available west of the Stock Pavilion, the "Farm Place" driveway is closed.
Two-way traffic allowed on Babcock Drive from Lindenhurst Lane to east Lot 40.

F) Chemistry addition project
until 2022/Chemistry addition completed
Lot 55 closed until 2022 (and of Chemistry construction). The sidewalk east of the Chemistry Building is closed; pedestrians should use the west sidewalk.
One University Avenue lane closed from Brooks Street to Charter Street until late summer 2021.
Temporary bike lane and sidewalk area created above contraflow bike lane and south sidewalk.
**See Inset 1 for more details**

G) Veterinary Medicine addition
Spring 2021 - Spring 2023
Lot 62 and Easterly Lane to be permanently closed, as area is absorbed for an addition to the Veterinary Medicine campus. A temporary bridge is being added over Willow Creek. Area sidewalks and lane closures will occur.

H) Natatorium replacement
until Spring 2023
Lot 57 closed for GymNat replacement project. Bus stop on Observatory Drive to remain open.

I) Road repair (mill & repaving)
June 14-18, 2021
Work to take place in three areas.
1) Lake Mendota Drive / Eagle Heights
"Clockwise" traffic pattern—no northbound or westbound travel allowed on Lake Mendota Drive around the Eagle Heights loop.
2) Walnut Street between the Campus Drive Bike Path and Gilford Pinchot Drive — road closed. Detour options include Highland Avenue and Babcock Drive.
3) Observatory Drive between Babcock Drive and Soils Building — road closed. Detour using Lindenhurst Lane.

J) Charter Street water valve replacements
Summer 2021 - Spring 2022
Work at three sections of Charter Street (Dayton, Charter, University) will involve lane and sidewalk closures, with severity and breadth of closures increasing in fall 2021 and spring 2022.

For more parking info visit transportation.wisc.edu
Vehicle traffic impacts
- Mills Street between Johnson Street and University Avenue closed to two-way traffic until mid 2022. Northbound vehicles can reach Conklin Place.
- A single lane of northbound traffic on Charter Street between Johnson Street and University Avenue is closed until the completion of the Chemistry addition project (spring 2022). Lot 55 closed during Chemistry project.

Transit impacts
- Mills Street between Johnson Street and University Avenue is closed. Routes 4, 13, 27, and 44 detour.

Metro Transit detour information can be found at mymetrobus.com.

Pedestrian impacts
- West side north/southbound crosswalk along Mills Street near the Chemistry building is closed; detour to east crosswalk.

Bicycle impacts
- Mills Street between Johnson Street and University Avenue is closed to two-way traffic until late 2022.

What's coming
- No updates

See transportation.wisc.edu for updates on traffic impacts due to construction. Dates subject to change.

Pedestrian impacts
Note: placement of fences and sidewalk closures for work may vary. Follow the detours as marked by signs on site.
• The pedestrian paths between the Education Building, Science Hall, the Law Building, and the Music Hall are partially unavailable. Detour using available paths, including the path connection between the Education and Law Buildings.
• Pedestrian bridge connecting Bascom Hill and the Humanities Building will remain open throughout work. Crosswalk connecting Bascom Hill and State Street Mall also available.

Bicycle impacts
• Thru-traffic not allowed on Lathrop Drive.

Vehicle traffic impacts
• Thru-traffic not allowed on Lathrop Drive.
• Several areas of Lot 5 (east) closed for work.

What’s coming
• Observatory Drive impacts to come late 2021 - mid 2022.
