A) Bascom-Lathrop utility project
Changing work to continue until 2022
Some pedestrian walkways are closed. Follow detour signs on site.
**See Inset 2 for more details**

B) Sellery Hall steam project
until late 2021
Under road utility work. South lane of Johnson Street closed between the bus stop outside Sellery Hall up to Lake Street. Sidewalk closures may also occur.

C) COVID-19 testing sites
There are various testing sites now open on campus. Each location has a dedicated parking area for those coming to be tested. These areas are marked with special "COVID-19 TESTING" reserved signs. For information on testing, please see covidresponse.wisc.edu/testing.

D) Mills Street closure
Two-way traffic to open late summer 2022
Mills Street closed between University Avenue and Johnson Street for Chemistry addition related work. Detour using Brooks Street, Charter, or Park Street.
The west University Ave. crosswalk at Mills closed until project completed. East side of Mills sidewalk maintained, west sidewalk closed.
**See Inset 1 for more details**

E) Babcock Hall addition
until early 2022
Much of Lot 40 east closed by Babcock Hall. A temporary driveway available west of the Stock Building West.
The Farm Place driveway is closed.
Two-way traffic allowed on Babcock Drive from Stock Drive to east Lot 40.

F) Chemistry addition project
until 2022
Chemistry addition completed Lot 55 closed until 2022 (end of Chemistry construction). The sidewalk east of the Chemistry Building is closed; pedestrians should use the west side sidewalks.

G) Natatorium replacement
until Spring 2023
Lot 57 closed for GymNat replacement project. Bus stop on Observatory Drive to remain open.

H) Willow Creek pedestrian/bicycle bridge closed
Closed permanently. To be replaced.
Bridge closed permanently due to structural issues, will be replaced in the future.
Temporary bridge coming Spring 2021.

I) Van Hise - Linden and Charter closures
April 27-30, 2021
Linden Street to be closed in front of Van Hise Hall, from Lot 23 access drive to Charter Street--April 27-28. Detour to Observatory Drive for majority of traffic.
Charter Street closed to the east of Van Hise--April 29-30. No through-traffic available. Use Park Street or detour using Linden Drive.

J) Kohl Center addition
Spring 2021 - Fall 2022
Lot 62 and Eastasden Lane to be permanently closed, as area is absorbed for an addition to the VetMedicine campus.
A temporary bridge will be added over Willow Creek to transport building materials—expected between April and June 2021. Area sidewalks and lane closures will occur.

K) Lathrop Drive - utility work
Fall 2021 - Fall 2022
Through access restricted and may be unavailable at times.

L) Charter Street water valve replacements
Spring 2021 - Spring 2022
Work at three sections of Charter Street (Dayton, Charter, University) will involve lane and sidewalk closures, with severity and breadth of closures increasing in fall 2021 and spring 2022.

Major projects will begin in the spring; details will be shared closer to the expected start dates.
