Projects organized chronologically; project details may change due to weather or other factors. City of Madison project information can be found at cityofmadison.com

- **Current projects**

  A) Lot 82 stall impact for crane placement  
  October 17 - November 20, 2020  
  Lot 82 stall closures for placement of a crane for work on the roof of the Wisconsin Center Drive lane slightly altered and some stalls temporarily relocated during this work.

  B) Bascom-Lathrop utility project  
  Package 2 started early September 2019  
  Project Phase 5 to run through November 2020  
  Bascom-Lathrop Drive closed to through traffic. Lot 115 and some eastern Lot 5 sections accessible from Charter Street and main section of Lot 5 accessible from Park Street  
  Starting May 21, Lot 9 closed until Jan. 2021. Some pedestrian walkways are closed. Follow detour signs on site.  
  June 6 - December 2020 - Southbound lane of Park Street closed between Langdon Street and Bascom Drive the Lot 5 driveway. Detour using Charter or Lake Street.  
  **See inset 2 for more details**

  C) Linden Drive parking facility construction  
  until early Winter 2020  
  Part of Lot 62 permanently closed. Project includes underground utility work, which has closed several sidewalk areas.  
  **See inset 3 for more details**

  D) Mills Street closure  
  Two-way traffic to open early 2021  
  Mills Street closed to University Avenue and Johnson Street for Chemistry addition related work. Detour using Bronson, Charter, or Park Street.  
  The west University Ave. crosswalk at Mills closed until project completed. East side of Mills sidewalk maintained, east sidewalk closed.  
  **See inset 1 for more details**

  E) COVID-19 testing sites  
  Porter Boathouse curbside and pedestrian site opened October 6.  
  21 N. Park Street curbside service started October 23 in circle drive.

  F) Babcock Hall addition  
  until early 2022  
  Much of Lot 40 east closed by Babcock Hall. A temporary driveway available west of the Stock Pavilion; the ‘Farm Place’ driveway is closed. Two-way traffic allowed on Babcock Drive from Linden Drive to east Lot 40.

  G) Chemistry addition project  
  until 2023, Chemistry addition completed Lot 55 closed until 2022 (end of Chemistry construction).  
  The eastern sidewalk near the Chemistry Building is closed. Pedestrians should use the west side sidewalk. One University Avenue lane closed from N. Brooks Street to N. Charter Street until the completion of the Chemistry addition project.

  H) Natatorium replacement  
  until Spring 2023  
  Lot 57 closed for GymNatl replacement project. Bus stop on Observatory Drive to remain open.

  I) COVID-19 testing sites cont.  
  Open November 12 until late December. Nielsen Tennis Stadium serving as a community testing site (open to public).  
  Part of Lot 62 reserved for those coming to be tested. No curbside testing.

  J) Willow Creek pedestrian/bicycle bridge closed  
  Closed until further notice  
  Bridge needs repairs, structural analysis to be conducted to determine next steps.

- **Future projects**

  A) Dayton Street and Randall Avenue closure  
  November 18, 2020  
  One day project. Dayton Street closing by Randall Avenue for City of Madison pavement repair project. Road closed from Randall Avenue until the Lot 80 driveway (under Union South). Lot 80 only to be accessible from the east.

  B) Randall Avenue closed from Monroe Street to Engineering Drive  
  No thru-traffic available. Access to Engineering Mall area only available by Randall Avenue from University Avenue or Campus Drive. Temporary left turn available to head northbound onto Randall Avenue.
Vehicle traffic impacts
• Mills Street between Johnson Street and University Avenue closed to two-way traffic until early 2021. Northbound vehicles can reach Conklin Place.
• A single lane of northbound traffic on Charter Street between Johnson Street and University Avenue is closed until the completion of the Chemistry addition project (spring 2021). Lot 55 closed during Chemistry project.

Transit impacts
• Mills Street between Johnson Street and University Avenue is closed. Routes 4, 13, 27, and 44 detour.

Metro Transit detour information can be found at mymetrobus.com.

Pedestrian impacts
• West side north/southbound crosswalk along Mills Street near the Chemistry building is closed; detour to east crosswalk.

Bicycle impacts
• Mills Street between Johnson Street and University Avenue is closed to two-way traffic until early 2021.

What’s coming
• *NEW* Tentatively Nov. 18 - One day project.

Dayton Street closing by Randall Avenue for City of Madison pavement repair project. Road closed from Randall Avenue until the Lot 80 driveway (under Union South). Lot 80 only to be accessible from the east.

Randall Avenue closed from Monroe Street to Engineering Drive. No thru-traffic available. Access to Engineering Mall area only available by Randall Avenue from University Avenue or Campus Drive. Temporary left-turn available to head northbound onto Randall Avenue.

See transportation.wisc.edu for updates on traffic impacts due to construction. Dates subject to change.
Pedestrian impacts
Note: placement of fences and sidewalk closures for work may vary. Follow the detours as marked by signs on site.
- The main pedestrian paths between the Education Building the Law Building is unavailable. Detour to the west toward the North and South Hall pedestrian path or use the pedestrian path along Observatory Drive.
- "Through" pedestrian access for Bascom Hill should detour to paths along Observatory Drive or south to the Lathrop Drive area to avoid closed areas—refer to marked detours on site.
- Pedestrian bridge connecting Bascom Hill and the Humanities Building will remain open throughout work. Crosswalk connecting Bascom Hill and State Street Mall also available.

Vehicle traffic impacts
- Southbound Park Street unavailable between Langdon Street and Lathrop Drive. Detour using Observatory Drive (to Charter Street) or Langdon Street (to Lake Street).
- No through-traffic on Lathrop Drive. Lot 115 (contains UW Disabled permit stalls) and western section fo Lot 5 are only available from Charter Street. Primary section of Lot 5 is only accessible from Park Street.
- Lot 9 closed as of May 11, expected closure until January 2021.

What's coming
- Southbound Park Street expected to reopen to traffic in "[NEW]" late November / early December.
Vehicle traffic impacts
- Lot 57 closed until early 2023 (completion of Gym-Nat replacement).

Transit impacts
- Temporary eastbound bus stop located outside of area currently closed for parking garage project.

Bicycle impacts
Note: Willow Creek bike-ped bridge remains closed due to structural integrity concerns.

Pedestrian impacts
- Partial closure of the southern sidewalk along Observatory Drive. Detour to northern sidewalk.
- Northern sidewalk closed along Linden Drive near the Linden Drive garage site—from Farm Place to the entrance to the Vet Med building.
- ADA pathway created that connects the Natatorium to Lot 62 to the Vet Med building.

Note: Willow Creek bike-ped bridge remains closed due to structural integrity concerns.

What’s coming
- **[NEW]** Lot 67 (Linden Drive Garage) tentatively open to the public in December 2020.

See transportation.wisc.edu for updates on traffic impacts due to construction. Dates subject to change.
