### Operating an E-Scooter on Campus

- E-scooter operators must follow all vehicle traffic laws, signs and signals. Violators may be cited.
- E-scooters may operate on streets and in bike lanes. Operation on shared use paths or sidewalks on campus is prohibited. Operation is not allowed inside buildings.
- E-scooter users must give an audible warning when passing bicyclists and other scooter users.
- E-scooter operators must yield to pedestrians in crosswalks.
- E-scooter speed limit is 15 mph, but riders should travel at lower speeds when conditions require caution, including in congested areas.
- E-scooters must have a front white light and a red rear light or reflector in working order for operation at night.
- No passengers may ride on an e-scooter.
- Operation prohibited at Picnic Point and on the Memorial Union Terrace.

### General Safety

- Always wear a helmet. Head injuries are common from scooter falls and crashes.
- Use eye wear, such as goggles or glasses.
- Wear highly visible clothing at night.
- Avoid operating an e-scooter during adverse or winter weather conditions.
- Never text while riding.
- Do not carry passengers.
- Operate your e-scooter only at speeds at which you feel confident, and never above 15 mph.
- Give an audible warning when passing bicyclists, pedestrians, and other scooter users.
- Be cautious and aware of cracks, railroad tracks, debris, and other hazards.

**Operation Off Campus**

Generally speaking, roads south of University Avenue, west of Highland Avenue, and east of Park Street are not under the jurisdiction of the University. Parking and operation rules may differ in these areas. Please contact the City of Madison (cityofmadison.com) or the Village of Shorewood Hills (shorewood-hills.org) for current regulations in their respective areas.
Parking an E-Scooter on Campus

- E-scooters must ONLY park in yellow stalls in signed, designated parking areas at all times.
- E-scooters may not park at or near bicycle racks or bicycle parking areas on the UW-Madison campus.
- E-scooters may not be locked to or parked at utility poles, trees, bollards, railings, sign posts, or fences.
- E-scooters cannot park on the sidewalk or in the street terrace unless in a designated stall.
- E-scooter parking stalls require a valid permit 7 a.m. - 4:30 p.m., Monday through Friday. At all other times e-scooters must park in designated stalls but do not require a permit. E-scooters must park in designated stalls at all times.
- E-scooter parking is on a first come, first served basis. If stalls are full at any location, relocate to the nearest available e-scooter parking location.
- E-scooters may not be stored (parked for more than 72 hours) without authorization from Transportation Services.
- E-scooters are not allowed in any classroom, lab, office, residence hall, or building without approval of the building manager.
- Improperly parked or abandoned e-scooters are subject to citation and/or impound.
- Lots may close for construction, maintenance, or safety issues.

Permits and Enforcement
