

# PARKING

## AN E-SCOOTER ON CAMPUS

- E-scooters must ONLY park in yellow stalls in signed, designated parking areas.
- E-scooters may not park at or near bicycle racks or bicycle parking areas on campus.
- E-scooters may not be locked to or parked at utility poles, trees, bollards, railings, sign posts, or fences.
- E-scooters cannot park on the sidewalk or in the street terrace unless a designated stall is available.
- E-scooter parking stalls require a valid permit Monday through Friday, 7 a.m. - 4:30 p.m.

At all other times e-scooters must park in designated stalls, but no permit is required.

- E-scooter parking is on a first come, first served basis. If stalls are full at any location, relocate to the nearest available e-scooter parking location.
- E-scooters may not be stored (parked for more than 72 hours) without authorization from Transportation Services.
- E-scooters are not allowed in any classroom, lab, office, residence hall, or building without approval of the building manager.
- Improperly parked or abandoned e-scooters are subject to citation and/or impound.
- Lots may close for construction, maintenance, or safety issues.

## PERMITS & ENFORCEMENT

- E-scooter parking permits can be purchased at any Transportation Services office.
- One parking permit issued per person.  
Annual permit cost: \$72  
Valid Sept. 1, 2022 - Aug. 31, 2023
- E-scooter parking permits must be visible from the front of the vehicle.
- E-scooter parking permits may not be sold or transferred.
- Refunds will not be issued for lost or stolen permits. A replacement permit may be purchased at a pro-rated cost.
- Permit required Monday-Friday, 7 a.m.-4:30 p.m.
- Citations issued to illegally parked e-scooters are the responsibility of the owner of the vehicle.  
No Parking: \$40-\$50 No Permit: \$40 Towing: \$70

## GENERAL SAFETY

- Always wear a helmet. Head injuries are common from scooter falls and crashes.
- Use eye wear, such as goggles or glasses. Wear highly visible clothing at night.
- Avoid operating an e-scooter during adverse or winter weather conditions.
- Never text while riding.
- Do not carry passengers.
- Operate your e-scooter only at speeds at which you feel confident, and never above 15 mph.
- Give an audible warning when passing bicyclists, pedestrians, and other scooter users.
- Be cautious and aware of cracks, railroad tracks, debris, and other hazards.

# OPERATING

## AN E-SCOOTER ON CAMPUS

- E-scooter operators must follow all vehicle traffic laws, signs and signals. Violators may be cited.
- E-scooters may operate on streets and in bike lanes. Operation on shared use paths or sidewalks on campus is prohibited.
- Operating e-scooters inside buildings is strictly prohibited.
- E-scooter users must give an audible warning when passing bicyclists and other scooter users.
- E-scooter operators must yield to pedestrians in crosswalks.
- E-scooter speed limit is 15 mph, but riders should travel at lower speeds when conditions require caution, including in congested areas.
- E-scooters must have a front white light and a red rear light or reflector in working order for operation at night.
- No passengers may ride on an e-scooter.
- Operation prohibited at Picnic Point and on the Memorial Union Terrace.

## ...AND OFF CAMPUS

Most roads south of University Avenue, west of Highland Avenue, and east of Park Street are not under the jurisdiction of the University. **Parking and operation rules may differ in these areas.** Please contact the City of Madison (cityofmadison.com) or the Village of Shorewood Hills (shorewood-hills.org) for current regulations in their respective areas.

For detailed information on the UW-Madison e-scooter parking policy and to view a full-size version of the most current e-scooter parking map, please visit [transportation.wisc.edu](http://transportation.wisc.edu).
